If you are one of those people who try to see EVERYTHING that the **Buffalo Infringement Festival** has to offer, then good luck to you. But if you want to take in at least one good show each night during the festival's 11 days, then Mohawk Place is, well, the place for you on Monday as the venue welcomes back Buffalo's own Rebecca Ryskalczyk for her latest visit.

Currently residing in Brooklyn, Ryskalczyk met the fellow members of her **indie trio, Bethlehem Steel**, while attending SUNY College at Fredonia, and has recently signed to Miscreant Records, home of Utica's buzzing Comfy, to release the group's new EP later this summer.

While there is no cover Monday, the Infringement organizers are asking for a suggested donation of \$5 at the door. Music will start around 8:30 p.m. **Further event details can be found here.**
